Volunteers change the world

These hunger heroes help us feed our neighbors in need. From the sorting room, deliveries, and pantry operators, to distribution and nutrition education program assistance, we could not provide for the families that need our help without volunteers.

“Of all the activities I will have to give up, volunteering at the Food Bank will be the last I hope. This work means so much to hungry families and I’ve loved every minute of the last 25 years I’ve been helping out here.”

~ Millie, on her 90th birthday

How we work
Donations are made: From the food and grocery industries, government agencies, food drives, local growers, and others.

Food is inspected then distributed: We inspect donated food, ensure safe storage and distribute to pantries, soup kitchens, schools, churches, senior centers, and shelters.

“**I love seeing the happy faces of students leaving with backpacks of food on Friday to eat over the weekend. It helps them come back to school ready to learn.**”
~ Principal, Sarasota County Elementary School

Education & Nutrition Programs
We know that keeping kids fed and healthy makes them better students. Just think, we can change lives with three healthy meals a day and a snack.

**BackPack Kids:** Students take food home on Fridays for the weekend when they may otherwise go without.

**Snack Packs:** Classrooms are stocked with kid-friendly food so no child is suffering instead of learning.

**School Pantries:** Parents can pick up food for the entire family, on-site at their children’s school.

**Growing Healthy Kids:** Preschoolers learn good nutrition through stories, games and puppet shows.

**Cooking Matters:** Fun, hands-on cooking classes for kids, teens, adults and seniors.

**Kids Cafe:** Nutritious evening meals that complement existing after-school programs.
